MEMORANDUM FOR: Deputy Director (Plans)
SUBJECT: Speedup in State and Military Traffic

Since the recent consolidation of the OCS and
FI/RI elements into the Cable Secretariat, and
especially through the cooperation of [redacted]
[redacted] receipt of the above traffic in
WHD has been speeded from five and one-half and often
more hours to an average of about one hour after its
receipt in the Agency. This has not only made for
increased general efficiency, but has been especially
valuable on the very substantial traffic which concerns
